

## **Well-groomed and beautiful for the start of summer - with the beauty aids from MEDISANA AG**

*Neuss (Germany), 1st June 2015.* Summer is just around the corner. Skirts, summer tops and sandals can finally be worn again and our skin gets to see a little more sun once more. Every woman wants to look well-groomed and beautiful at this time of the year and an increasing number of men are paying attention to a well-kept appearance as well. This is possible at the blink of an eye with the beauty aides from MEDISANA.

Time for manicures and pedicures: the **Manicure and Pedicure Device MP 820** is ideal for perfectly cared-for hands and feet. It is suitable for the treatment of nails, cuticles and/or mild calluses and its speed is continuously adjustable. A LED-light ensures accurate application, even with dim lighting. The product stops automatically when too much pressure is applied, making it particularly suitable for diabetics as well. As users can choose between mains or battery operation, the Manicure and Pedicure Device MP 820 is a suitable travelling companion - because great nails make a statement wherever you are. The product is equipped with three sapphire accessories for all types of application, as well as a felt cone. The Manicure and Pedicure Device MP 820 is available for €44.95 RRP in specialist stores and at [www.medisana.de](http://www.medisana.de).

The **Cellulite Massager AC 850** looks after smaller problem zones. It provides an effective massage that stimulates the connective tissue and noticeably firms up the skin. The comfortable self-massage increases the circulation and helps improve the appearance of the skin. Users can choose between two different intensity levels to massage the buttocks, thighs, upper arms and hips. The rotating massage rollers underneath the unit are interchangeable and easy to clean. The easy-to-handle design with its individually adjustable hand strap has already been awarded the Plus X Award for the best design brand. The powerful Cellulite

Massager AC 850 is for mains operation and costs €23.95 RRP and is available in stores and at [www.medisana.de](http://www.medisana.de).

For the daily facial skin care at home, MEDISANA has the **Cosmetics Mirror CM 840** on offer. It has two swivelling mirrors and can reflect your image in its original size and with 5-fold magnification. The mirror surface is approximately 13 cm in diameter and is fitted with 16 white LEDs around the frame of the mirror - for the perfect perspective when putting on make-up or applying beauty treatments. The sturdy stand and high-quality chrome-plated design turn the mirror into a real eye-catcher in the bathroom. The Cosmetics Mirror CM 840 is available for €29.95 RRP in specialist stores and at [www.medisana.de](http://www.medisana.de).
